

House Rules

Lighthouse Country Marine Centre

Users are responsible for ensuring that:-

- only authorized people are on the premises at any time - LCMRS members, DBYC members, guests of the two organizations and groups or individuals who have prior permission from the House Committee
- the cleanliness (and orderliness) of the Centre after use is as good as or better than the cleanliness/orderliness before use
- the Centre is left in a safe and secure state following use; i.e. doors, windows locked, propane tank valve turned off inside (panel switch) and outside (knob)
- the washroom and toilet facilities are left clean, flushed and functioning
- the BBQ facilities are left clean, shut off and covered
- all trash and recyclables are removed from the premises
- empty propane tanks are refilled and returned within a week of use
- the fireplace, appliances (except refrigerator), lights and other electrical equipment are left de-energized
- the Centre is not damaged due to activities related to use
- damage, should it result from their use, is repaired at the user's cost
- any issues with the Centre are addressed immediately or brought to the attention of the House Committee.
